34 Sleeve Patient Stories

Synopsis

With each passing year, bariatric surgeries are becoming more and more common place. After years of frustrating weight loss and regains, patients are looking for permanent answers to their obesity problems. New procedures, new techniques and new surgeons enter the field of bariatrics each year. Many patients are electing to pay out of pocket and have surgery in Mexico. This book tells their stories of Gastric Sleeve surgery with a Bariatric Surgeon of Excellence: Dr. Guillermo Alvarez. Why they chose him and what life is like after the surgery.

Customer Reviews

This is an easy read and very inspiring! I'd suggest that anyone considering the sleeve read this book. It was wonderful hearing the stories and seeing the before and after pics!

This is more of a review on a specific surgeon rather than short success stories of bariatric patients.

Bought it for a friend. I knew I was already happy with Dr. Alvarez' work and his whole program and staff, but wanted more unsolicited stories for her.

interesting book
