Such an interesting an well written book! Imagine as women were in fight in the war...Incredible!
Anyway, I just have found one mistake: Virginia Hall (1906-1882) I think it is 1982, instead of 1882. But apart from this, it is an ebook so easy to change the numbers. I can recommend it! Thank you!!

I’ve read so many books on WWII; I just find history interesting. But it’s also refreshing to read about women and their accomplishments during that time. It’s not common to read about heroic women during that time. I highly recommend this book and it is a great read.

So interesting. This book was beautifully put together. It goes into history that I had never heard of. It brought so many historical moments to life! I thoroughly enjoyed every page I couldn’t put it down.
