# Your Child's Teeth: A Complete Guide For Parents

## Synopsis

Children's dental health involves much more than a toothbrush. Dental disease is the number one chronic childhood illness, and avoiding dental disease means paying scrupulous attention to our children's teeth. In *Your Child's Teeth*, health writers Evelina Weidman Sterling and Angie Best-Boss team up with pediatric dentists and oral health experts to answer parents' many questions about children's teeth. Topics include: • how thumb sucking and pacifiers affect teeth • how to brush your young child's teeth • how to calm a child who is afraid of the dentist • how to help special needs children get proper dental care • how medical problems affect teeth • how fluoride rinses and dental sealants work • how a root canal is done • how to make the orthodontia decision This book will help parents help children develop good dental habits for a lifetime of healthy teeth • from baby's first tooth to the young adult's shining smile.
